awarding damages based on proffer issued on December 16, 2024. Decision Awarding Damages Based on Proffer dated Dec. 16, 2024 (ECF No. 28).

On March 21, 2025, Petitioner filed an application for attorneys' fees and costs. Petitioner's Motion for Attorneys' Fees and Costs ("Pet. Mot."), filed Mar. 21, 2025 (ECF No. 33). Petitioner requests compensation in the amount of \$20,087.19, representing \$17,871.00 in attorneys' fees and \$2,216.19 in costs. Id. at 4. Petitioner warrants that she has not personally incurred any costs in pursuit of her claim for compensation. Id. Respondent filed his response on March 24, 2025, stating he "is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case." Respondent's Response to Pet. Mot., filed Mar. 24, 2025, at 2 (ECF No. 34). Petitioner did not file a reply thereafter. The matter is now ripe for disposition.

Petitioner requests the following hourly rates for the work of her counsel: for Mr. Jeffrey Pop, \$520.00 per hour for work performed in 2022-2023 and \$575.00 per hour for work performed in 2024-2025; for Ms. Kristina Grigorian, \$480.00 per hour for work performed in 2024-2025; and for Ms. Alexandra Pop, \$460.00 per hour for work performed in 2024-2025. Petitioner also requests rates of \$165.00 and \$185.00 for work of their counsel's law clerks performed from 2022 to 2025.

The undersigned finds the rates consistent with what counsel have previously been awarded for their Vaccine Program work, and finds them to be reasonable herein. The undersigned has reviewed the submitted billing entries and finds the total number of hours billed to be reasonable and will award them in full.

Lastly, the undersigned has reviewed the requested costs and finds them to be reasonable and largely supported with appropriate documentation. Accordingly, the full amount of costs shall be awarded.

Therefore, the undersigned finds no cause to reduce the requested hours or rates, or the requested costs.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of Petitioner's request, the undersigned **GRANTS** Petitioner's motion for attorneys' fees and costs.

**Accordingly, the undersigned awards:**

**Petitioner is awarded attorneys' fees and costs in the total amount of \$20,087.19, to be paid through an ACH deposit to Petitioner's counsel's IOLTA account for prompt disbursement.**

In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court **SHALL ENTER JUDGMENT** in accordance with this Decision.<sup>3</sup>
